

A large, glossy red bow is the central focus, tied with a wide red ribbon. A light beige tag is attached to the bow, featuring the word 'Bunker' in a black, serif font. The background is a dark, muted green. In the top right and bottom left corners, there are clusters of red snowflakes and small red dots, adding a festive, wintry feel to the design.

We know that everyone does Christmas differently, so we have a range of options to cover the naughty and the nice! All the trimmings!

When it comes to a festive feast - we know we'll be your type on paper!

Our chefs have created an enticing menu that will suit the picky eaters of the group (no judgement here!) as well as those looking for something more refined! Choose from our 2 course menu, 3 course menu or festive platters. Then let us know any dietary requirements, allergies or preferences so that we can tailor it for your group's exact wants and needs!

Even Karen won't have anything to complain about!

Feeling thirsty? The mistletoe is by the entrance! And if that doesn't work, we have drinks packages to get the festivities started!
